

## **SW DIXIE AFFAIR**

Date of Birth: 11/16/2017 Registration 1: Pending

Embryo heifer out of Cowboy Tuff Chex 102" T2T and Mi Tierra I66 82" T2T. Dark red and white in color with great confirmation and early horn growth. Dixie Remedy has black horns/hooves and should darken as she matures. We have six full flush mate sisters, they are consistently nice!
